1. Welcomes CHJ/AB

### **Apologies**

Sarah BG, Angela, Susanna, Mr Jackson

### **Attending**

Claire J, Paul, Kate J, Lindsey, Ross, Debs, Ellie, Wendy, Kimberly, Abbey, Lizzie, Sheney.

I started with explaining Mr Jackson's email, and explaining about the new PTA. Some of the new members were there and explained their roles.

I suggested Angela and I would like to use the money in the bank currently for a big project to benefit all children such as for an outside classroom, this has been agreed and agreed we can spend up to £8,000, knowing we will need the money from the Easter Fayre to top up our current amount in the kitty. Kate James said we could try and approach JP Morgan for the extra £2000.

2. Money Spent and Money to Spend. RH

We currently have £6500 to spend, £300 has been spent on books.

It has been agreed to buy the outside classroom therefore we have £200 left to spend at the moment.

3. Bid Forms CJ

Louise, asked for funding towards a year 3 recorder group. It was felt that every year group should be offered this. Wendy said that Louise volunteers her time for this. It felt that parents could buy their own recorders and if children really could not afford them then the PTA could help out then. Wendy asked for up to £260 for the dog park. It was felt that the PTA should not fund this. So the dog people are going to have a stall at the Easter Fayre.
