Dear Parents and Carers

RE: Peripatetic instrumental and vocal lessons 2022

I am writing to let you know about the provision of instrumental and vocal lessons on offer for the next term. These lessons take place during the school day and are timetabled every term. We currently offer lessons on the following instruments: voice, piano, keyboard, violin, flute, clarinet, alto saxophone, tenor saxophone, guitar (electric/acoustic), bass guitar and ukulele.

Tuition fees for next term: Lesson will commence the first week back due to a short half term.

- £120 for 10 x individual 20 minute lessons.
- £60 for 10 x shared 20 minute lessons. Shared lessons take place in groups of 2 or 3 students. If it is not possible to provide a group lesson then an individual lesson will occur once a fortnight.

In addition to this, if you are in receipt of pupil premium or state benefits you may be able to apply for a grant to help cover the cost of lessons. This information can be found on the Soundstorm website:

<https://soundstorm-music.org.uk/music-education-hub/grants/accessfund/>.

Please be aware that Soundstorm receive a high number of applications per year and so you may be unsuccessful in your application. If you are unsuccessful in your application and are in receipt of pupil premium funding, please do not hesitate to contact the school.

Unlike previous years, the contract and payment of the instrumental lessons will now be between the peripatetic music teacher and yourselves as parents (same as Spring term). The teacher will provide you with a letter outlining their personal terms and conditions along with their contact details and chosen method of payment. Cut off dates will be provided to ensure the teacher receives prompt payment for the service they are offering. This new method of payment will help to alleviate any miscommunication that third party involvement provides and make the process more straightforward. Lessons for your child will commence once the teacher has received payment. **You must contact the peri teacher if your child wishes to continue.**

Lessons will be payable in advance, and a half terms notice must still be given directly to the instrumental teacher in writing if you no longer wish to continue lessons. Peri teachers have been allocated time for their lessons; this means they can only teach a certain number of children each week. If there is no space, a waiting list will be created and your child's name and preference for individual or group lessons will be added.

If you are interested in your child taking up, or continuing lessons, then please contact the relevant teacher directly below. I will be continuing to monitor the situation, and I will be in contact with any further updates.

If you have any questions or queries, then please do not hesitate to contact me.

Yours sincerely

Miss L Phillips

3.2 If there is insufficient take up of a particular instrument, the individual teacher will refund the payment and will inform the school for our records. The school will endeavour to find a replacement teacher where possible.

4.2 Break and lunch time slots may be used if may children wish to learn the same instrument. Lesson times change every half term so no child will always miss break or lunch.

4.3 It is the students' responsibility to check the date/time/location of their lesson and keep their timetable with them.

4.4 Parents should inform the individual teacher at least 48 hours in advance of any problems in attending lessons due to planned absences (school trip/exam/assessment) so the teacher can try to swap lesson times to accommodate.

4.5 Students should purchase and bring to every music lesson a suitable notebook for the teacher to write down the required tasks for practise that week.

Instrumental hire scheme

Avonwood currently has a couple of violins, if you wish to borrow one for your child for a half term, however, with limited availability, this will be done on a first come first served basis. Instruments are also available to hire from Soundstorm, the music hub for Bournemouth and Poole. Please see the Soundstorm website for further details and how to apply.
