- **Tuesday 16th December** – Elfridges
- **Wednesday 17th December** – Christmas jumper day and Christmas lunch 
- **Friday 19th December** – Last day of term (13:30 finish)

Home Learning Expectations

Reading every day: the power of 1:1 reading

The expectation is that every child reads at home (or is read to by an adult) every day. Where it is such a key life skill, we feel this sits at the very top of our home learning priorities.

Tasks/activities in addition to reading at home daily:

Activity	Expectation
Doodle Maths	3x 10min sessions a week
Phonics	Y1: Around 10 minutes a week of Phonics practice

Home Learning cycle: standardised deadlines

- ⇒ The phonics homework will be **sent home on a Friday**, in the paper folder provided
- ⇒ All homework is due to be **returned on a Thursday** morning of the next week.

Home Learning: optional enrichment activities to enjoy with your child ('Reach for the Stars'). **Please return to school by Friday 12th December**

- ⇒ **Challenge 1:** Choose a member of your family and tell us about how you are the same as them and ways that you are different from them. This could be completed as writing sentences, making a drawing or using photographs and adding labels to show the similarities and differences.
- ⇒ **Challenge 2:** Talk to your grandparents about their childhood. What did they like to do for fun? What toys and games did they play with? What was their favourite book as a child? Make a poster to show what you have found out. Can you make a poster or write some sentences about their childhood?
- ⇒ **Challenge 3:** Walk around your house and go on a shape hunt. What shapes can you see? Which shapes are there more of? Is there any shape you can't find? Record how many of each shape you can find in different rooms.
