

## Guidance:

**\*Handing in your homework:** We are asking for CGP books to be handed in every other week. **Highlighted dates are deadlines** for books to be handed in to teacher.

**\*CGP 10-minute reading tests:** You should complete this within 10 minutes (if you do not manage this time limit, please show where you got to in 10 minutes and then complete the rest of the activity). Once you have finished, please ask an adult to mark them with you.

**\*Maths CGP workbooks:** *You have been given one of three different maths CGP books. Please ensure that you are completing the correct task based on the book you have received. You must ask if you are unsure.* When completing your tasks, ask an adult at home for help if necessary. You should mark your work once you are finished and ask an adult to go through the answers with you. If there is anything that you are unsure about and would like to go over with your teacher, you will need to bring your CGP book into school and ask for help.

Spring 1 – CGP homework			
	Reading: 10-minute tests	Maths – Year 6 Targeted Question Book	Maths – SATs Question Book / SATs Question Book Stretch
<b>Date set:</b> Friday 9 <sup>th</sup> January 2026 <b>Date due:</b> Thursday 15 <sup>th</sup> January 2026	Set B: Test 1	<ul style="list-style-type: none"><li>• Adding and subtracting fractions (pages 20-21)</li><li>• Multiplying fractions (page 22)</li></ul>	<ul style="list-style-type: none"><li>• Multiplying fractions (pages 32-33)</li><li>• Adding and subtracting fractions (pages 34-35)</li></ul>
