Home Learning Expectations

June briefing, 2025

Reading every day: the power of 1:1 reading

The expectation is that every child reads at home (or is read to by an adult) every day.

Where it is such a key life skill, we feel this sits at the very top of our home learning priorities.

Please do have a look on the reading section of our website as there is a range of information on how best to support your child with reading:

Home Learning: activities in addition to reading

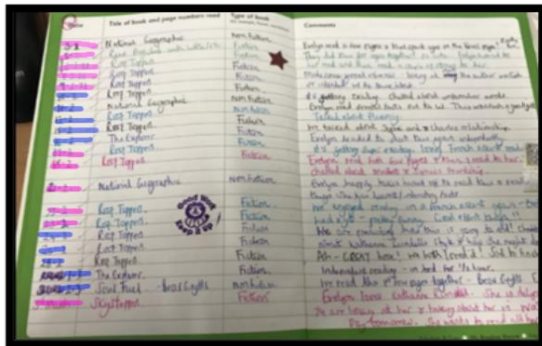

- Home-learning policy on school website
- Website: Parents → Homework → Year group
- Homework folders to be returned to school by the following Thursday for homework to be marked and the next week's homework to be put into folders.

Activity	Expectation
Doodle Maths	3 times a week
Phonics/Spellings	Around 10mins a week

Reading 'High 5'

- Bring your reading record in every day.
- An adult will check these weekly.
- Once you have read five times (this does not have to be in the same week and weekends can be included) an adult will tick the 'High 5' reading chart and you will be given a pom pom for our class jar!
- When the jar is full of pom poms, our class will get time to celebrate our success together with a reading raffle activity!

Both classes are working towards their third High 5 reading reward
