# Home Learning Expectations

January briefing, 2025

# Reading every day: the power of 1:1 reading

---

**The expectation is that every child reads at home (or is read to by an adult) every day.**

Where it is such a key life skill, we feel this sits at the very top of our home learning priorities.

*Please do have a look on the reading section of our website as there is a range of information on how best to support your child with reading:*

# Home Learning: activities in addition to reading

- Cycle: issued Friday, due Thursday
- Focus: consolidation and fluency
- Home-learning policy on school website

As children transition into our junior school phase, they will be exposed to increasingly independent opportunities to develop and learn. With the academic standard of core subjects also rising, there is an increased need to consolidate and recall prior knowledge from weekly lessons.

## **Tasks/activities in addition to reading at home daily:**

Activity	Expectation
Doodle Maths	5x 10min sessions a week
Spellings	Around 15 minutes a week via Spelling Shed
'Times Tables Rockstars'	5x 10min sessions a week

# Reading 'High 5'

- Bring your reading record in every day.
- An adult will check these weekly.
- Once you have read five times (this does not have to be in the same week and weekends can be included) an adult will tick the 'High 5' reading chart and you will be given a pom pom for our class jar!
- When the jar is full of pom poms, our class will get time to celebrate our success together with a reading raffle activity!

# Ongoing Communication

---

- Always refer to our official website
- If in doubt, please talk to us!
