

Name: Jack Skilling

Role: Governor

Nominated governor for: Health & Safety Governor

Date of appointment: May 2022

I work locally to the school and joined Avonwood as Governor for Health and Safety in 2022.

Having worked in Outdoor Education for 8 years and recently moving over to working in finance I am keen to stay engaged within education and the local community.

I grew up in the Lake District and moved to Poole last year and love the area and spending as much time out enjoying the beautiful coastline.
