

Name: Patricia Butuc-Mayer

Role: Governor

Nominated governor for: Finance Governor

Date of appointment: 10.5.22

I moved to the United Kingdom from Romania 5 years ago to study Accounting & Finance at University of Southampton. After my graduation I started working at JP Morgan, in the Bournemouth office.

I used to volunteer at a local orphanage in Romania during my high-school years, and have remained very passionate about children's welfare and education. Therefore, I am pleased to be working with Avonwood as governor.

In my free time I enjoy spending time in nature with my family and friends - be it hiking, climbing, swimming, snowboarding or just a walk.
